Water Service Fees and Terms

New service: \$3,721 which includes: Tap, meter & box. This fee is due and payable prior to meter installation. TIMUD installs a certified back-flow prevention device as part of the meter installation. Customer must meet all TIMUD and TCEQ requirements, including the Customer Service Inspection Certificate, before water service begins.

Annual plan: The annual plan is billed July 1st of each year. The cost of the plan is \$650.00. This plan covers water usage up to 60,000 gallons (\$10.83 per 1000 gallons) for the period from July 1st to June 30th. If usage exceeds 60,000 gallons during the year the overage will be billed at \$11.00 per 1,000 gallons. **If the fee is not paid on time a \$50.00 late fee will be charged each month past due.**

Quarterly plan: The quarterly plan is billed July 1st, October 1st, January 1st, and April 1st of each year. The current cost of the plan is \$200.00 per quarter. This plan covers water usage up to 15,000 gallons (\$13.33 per 1000 gallons) for each period from July 1st to September 30th, October 1st to December 31st, January 1st to March 31st, and April 1st to June 30th. If usage exceeds 15,000 gallons during any quarter the overage will be billed each quarter at \$14.00 per 1,000 gallons. Quarterly plan fees are due within 30 days of billing. **A late fee of \$50.00 will be charged each month past due.**

Commercial: The cost of the plan is \$550.00 per month and includes 40,000 gallons (\$13.75 per 1000 gallons) of water. For any overage past 40,000 gallons the charge is \$15.00 per 1000 gallons. **If the fee is not paid on time a \$100.00 late fee will be charged each month past due.**

Penalties: If all current charges, including the late fee, are not paid within 45 days of the initial due date, a final 15-day Notice of Shut Off will be sent. If all current charges, including the late fee, are not paid within this 15 day period, water service will be discontinued and will result in a \$500.00 reconnect fee. After another 30 days the meter may be removed and may result in new service application submission and cost. If the account is delinquent more than once, the meter may be removed and the customer will have to apply for new service.

Accommodations may be considered but the customer must contact TIMUD and have Board approval before the 15 Day Shut Off Notice is sent.
